Experience

Assistant Product Manager

Habitat Clothes To Live In

Dec 2025 – Present

Production Development Assistant

Coldwater Creek Pembroke, MA

Apr 2024 – Nov 2025

Fashion Design Intern

Soliyarn Smart-textile R&D

May – Aug 2023

- Designed a custom heated glove for alpinist and adaptive athlete Kimber Cross, from hand molds and measurements to concept sketch and finished prototype.
- Laid out heating panels, sensors and connectors for wearable prototypes, chose substrates and coatings, and joined prototype testing cycles.

Backstage Dresser

House Fashion Week Boston, MA

Oct 2022

- Dressed models, steamed garments and kept every look in runway order; ran guest, VIP and press check-in.

Volunteer Backstage Dresser

KB Productions / Reebok Corporate Boston, MA

Sep 2022

- Kept each look complete and in scene order and dressed models between scenes.

Sales Associate

Absolutely Fabulous Consignment Seattle, WA

Oct 2020 – Jun 2021

- Sales, customer inquiries, merchandising, signage and displays.

Education

BA, Fashion Design and Production

Lasell University

2021 – 2024

AA, Early Childhood Education and Teaching

Edmonds College

2019 – 2021

Profile

Boston-based fashion designer from Seattle with a focus on sweater design and textile science. I love finding new ways to make fashion more sustainable through embellishment, embroidery and patchwork, while designing products that fit current trends and everyday needs.
